At the same time miles away
 A little boy made a wish that day
 That the world would be ok
 And santa claus would hear him say:
 I got dreams and i got love
 I got my feet on the ground
 And family above
 Can you send some happiness
 With my best to the rest of the people
 Of the east and the west and
 Maybe every once in a while
 Give my grandma a reason to smile
 'tis the season of smile
 It's cold but we'll be freezing in style
 Let me meet a girl one day
 That wants to spread some love this way
 We can let our souls run free and
 She can open some happiness with me

Shake it up
 Shake up the happiness
 Wake it up
 Wake up the happiness
 Come on y'all
 It's christmas time

Shake it up
 Shake up the happiness
 Wake it up
 Wake up the happiness
 Come on y'all
 It's christmas time
